4. Complete the Pre-check Form	3
5. Honduras Affidavit (Epidemiological Surveillance Sheet and Affidavit of Health)	5
6. Completing the Health Form	6
7. How to print, email, modify or delete your Pre-Check Form	11

1. Before You Start

1. The Precheck form can be found here <https://prechequeo.inm.gob.hn/Login>. The link to the Health Form will pop up once the precheck form is completed. The link if needed is <https://ee.humanitarianresponse.info/x/3LC6FbGX>
2. When traveling to Roatan, both the Precheck (Prechequeo) and the Health Forms (Ficha de Vigilancia Epidemiológica de la Salud) must be completed.
 - a) You will receive an email with a copy of the precheck once submitted. Save a copy to your Photos on your phone for easier access or in event of losing internet access.
 - b) Before you submit the Health Form, you need to take a photo of the generated Form ID. This one step MUST be done in the Spanish format as it does not display correctly in English. Detailed instructions are included further down in this document.

NOTE: You will **not** receive any confirmation message or email upon submission.

3. You can register immediately, but you cannot complete the forms until it within 2 days of your flight to Honduras.

4. To complete the pre-check and health form, you will need:
 - a) Your passport (number and expiry date)
 - b) Details of the flight arriving in Honduras (airline, flight # and date)
 - c) Address where you will be staying
 - d) A photo of the following to upload to the health form. **File format must be a JPG or PNG. PDF does not work.**
 - i. Copy of your negative COVID test result **OR** your COVID Vaccination Card provided you have been fully vaccinated for at least 14 days.
 - ii. Copy of your Passport photo page.
5. Technical Issues
 - a) This site works best with Chrome, Microsoft Edge or Mozilla Firefox. Mac users have reported issues with the site not working and also those with a Hotmail email. Internet Explorer and Safari on Android mobile devices may have issues.
 - b) If you have an issue with any other device or browser, try using Google Chrome on a PC and failing that, try another device.
 - c) If the page won't load, try turning off Wi-Fi and using your cell phone connection (either by doing it on your phone or using your computer or tablet and connection to a hotspot from your phone).
6. When departing Honduras, you're asked to fill out the Precheck form again. It's not mandatory, but speeds up the immigration process as they don't have to gather the information real-time. You do NOT have to print it.

2. Getting Started

1. Go to the Precheck Home page is <https://prechequeo.inm.gob.hn/Login>
2. If using a PC, select English on the home page. If you don't see this option, use Google Chrome and right click anywhere on the screen and select "Translate to English".

If neither of these options work, use Google Translate <https://translate.google.ca/?hl=en&tab=TT>

Screenshots included here use the English option which, by default, gives you the translation (except for the dropdowns). Change to English on the initial page if that is your preferred language.

3. Register for a new account (if required)

- You can register for a new account at any time before you travel. Do this ahead of filling out the form in case of any technical difficulties.
 - If you have registered with the Immigration ALAM system for a Tourist Visa extension or Residency renewal, this is a different account. You need to register here to complete the precheck.

1. To complete the pre-check form, you will need:
